

SHIELDS

MOTOR PATROL SHIELD THREAT LEVEL IIIA AND SPECIAL THREAT

The **MOTOR PATROL SHIELD (MPS)** was developed with direct input from motor patrol officers in need of rapid deployment ballistic protection that is easily stowed in motorcycle saddle bags. The **MPS** is ultra-compact with the same advanced IIIA ballistic protection found in our **VENGEANCE®** Series shields and offers coverage of critical areas. BlueRidge Armor, Legendary Performance, **MISSION DRIVEN – PURPOSE BUILT!**
