

SHIELDS

PORTABLE RESPONSE BARRIER RIFLE LEVEL III & IV

The fully customizable **Portable Response Barrier (PRB)** provides NIJ level III or IV protection with modular collapsible side shields making it an adaptable defensive fighting position, perfect for making entry through doorways. The **PRB** can be easily maneuvered and operated through hallways, doorways while providing complete protection and the ability to return fire. The **PRB** can be set as an established check point for guard gates or other locations that require an emergency ballistic barrier. BlueRidge Armor, Legendary Performance, **MISSION DRIVEN – PURPOSE BUILT!**
